English. Authors will be informed about this decision in advance, after that they will send the article professionally translated into English.

5. Copyright

The author transfer the copyright to this article to the Journal "Economy of Region", effective if and when the article is accepted for publication. The copyright transfer covers the exclusive right and license to reproduce, publish, distribute and archive the article in all forms and media of expression now known or developed in the future, including reprints, translations, photographic reproductions, electronic form (offline, online) or any other reproductions of similar nature. The author retains the right to use his/her article for his/her further scientific career by including the final published journal article in other publications such as dissertations and postdoctoral qualifications provided acknowledgement is given to the original source of publication. The Editor receives the right to adapt the presentation of the article for publication in accordance with Journal's requirements.

All articles are licensed under a Creative Commons Attribution-NonCommercial 4.0 International License.

6. Open access

Articles are freely available at the websites www.economyofregion.com, www.economyofregion.ru,www.uralces.ru, www.cyberleninka.ru. Open access means that users can read, download, copy, distribute, print, search, or link to the full texts of their articles. All papers are assigned a Digital Object Identifier (doi).

The Journal follows the "blue" archiving policy Sherpa/Romeo that means that the author can archive post-print (i.e. final draft post-refereeing) or publisher's version/PDF.

7. Privacy statement

The Editorial Board of the Journal warranty that authors personal data will be used solely for correspondence to the authors and for publication details and will not be shared with the third part.
