Search - Publisher copyright policies & self-archiving

One journal found when searched for: **chemistry of heterocyclic compounds**

Journal: **Chemistry of Heterocyclic Compounds** (ISSN: 0009-3122; EISSN: 1573-6103) (This journal is a publication of the Russian journal *Khimiya* (Saint-Petersburg, Saint-Petersburg))

ROMEO: This is a **Green** journal

Full OA: A post open access option is available for this journal

Author's Pre-print: author can archive pre-print (ie pre-refereeing)

Author's Post-print: author can archive post-print (ie final draft post-refereeing)

Publisher's Version/POF: author cannot archive publisher's version/POF

General Conditions:

- Author's pre-print on pre-print servers such as arXiv.org
- Author's post-print on author's personal website immediately
- Author's post-print on any open access repository after 12 months after publication
- Publisher's version/POF cannot be used
- Published source must be acknowledged
- Link to publisher version
- Set prices to accompany link to published version (see policy)
- Articles in some journals can be made Open Access on payment of additional charge
