Journal of Vibroengineering is covered in the **Emerging Sources Citation Index (ESCI)**, which means all articles published in the journal are indexed in **Web of Science** at the time of publication.

Journal of Vibroengineering is published **Open Access**. By 'open access' to this literature, we mean its free availability on the public internet, permitting any users to read, download, copy, distribute, print, search, or link to the full texts of these articles, crawl them for indexing, pass them as data to software, or use them for any other lawful purpose, without financial, legal, or technical barriers other than those inseparable from gaining access to the internet itself. Author(s) retain copyright of their work. Articles are published under the **Creative Commons Attribution License (CC-BY)**.

Journal of Vibroengineering has partnered with **Publons**, the world's leading peer review platform, to officially recognise your peer review contributions. For more information about Publons or to sign up, visit <https://publons.com>
